Dear Member of the Class of 1959,

It is time for our 50th Year Class Reunion. Remember "those people" you considered old? Now we know ... they were just seasoned! The Reunion Committee has planned our big gathering September 17 - 20, 2009. We hope that all of you will make an effort to be there ... whether you travel from within the city of Lawrence, from another state or another country. Though we shared our high school years together, we have all grown and changed for the better. High school experiences are in the past; now is time to get to know and enjoy our classmates of the present.
